INSTRUCTIONAL ASSESSMENT FORM – FALL 2012

INSTRUCTOR: J. Mailman

Course: JWLY 3214

Number of Students: 10

Submissions: 8

The instructor and the College are interested in your views and experiences as a student in this course. Your written comments and your answers will help strengthen the curriculum. Completion of the questionnaire is voluntary. Please give careful and serious consideration to your responses as the results are used to assist in faculty assessments, appointments, promotions, and review processes.

How would you assess the instructor's performance in the following areas:

	Very Good	Good	Satisfactory	Poor	Very Poor	Not Applic.
In creating a challenging work environment:	6	2				
In communicating effectively:	7	1				
In making the objectives of the course clear:	7	1				
In selecting applicable material for presentation:	6	2				
In organizing the classes:	8					
In giving assignments suited to the course:	8					
In making the workload appropriate for the course credits:	8					
In responding to questions and comments:	8					
In meeting classes regularly as scheduled:	8					
In making useful comments on student's work:	7	1				
Overall:	8
